In j. r. r. tolkien's legendarium, elves are one of the races that inhabit a fictional earth, often called middle-earth, and set in the remote past. Void elves (or ren'dorei, "children of the void" in thalassian) are a race of void-infused elves affiliated with the alliance. their origins lie with a group of blood elves led by magister umbric who were exiled from silvermoon city because of their research into the void. While highly creative, the fiction of j. r. r. tolkien was influenced by a number of sources. tolkien was inspired by his academic fields of philology and early germanic literature, especially poetry and mythology, as well as a wide range of other beliefs, culture, and experiences. This true crime documentary series investigates cases where people convicted of murder claim their confessions were coerced, involuntary or false. watch trailers & learn more.
